

PRESENTATION SCHOOL FOUNDATION, INC.

OAK SQUARE, BRIGHTON

June 14, 2005 - Joint Statement from the Presentation School Foundation and the Archdiocese of Boston

Following a substantive discussion, during the course of which both parties developed increased understanding of the needs and interests of each other, and the Archdiocese developed a new understanding of the proposal, the Archbishop is committed to working with the Presentation School Foundation in a good faith effort to pursue the goal of a negotiated sale of the Our Lady of the Presentation school property to the Presentation School Foundation. Both the Archdiocese and the Foundation recognize there are other parties whose approval must be obtained, as well as other issues to be negotiated. The Archdiocese and the Foundation have committed to meet again in two weeks in furtherance of the goal.
