

PRESENTATION SCHOOL FOUNDATION, INC.

OAK SQUARE, BRIGHTON

NEWS RELEASE

21 April 2006

The Presentation School Foundation is encouraged by the Roman Catholic Archdiocese of Boston's statement that it seeks to "accelerate" the process that would lead to the sale of the Presentation School building to the Foundation. This follows the decision of former parishioners of Our Lady of the Presentation parish to withdraw their litigation concerning the school building if it is sold to the Foundation.

While no agreement is in place, this represents a moment of opportunity for the Archdiocese and the Foundation to resume negotiations and to forge an agreement that serves the best interests of the Allston-Brighton community, the City of Boston, and the Archdiocese.

The Foundation extends its thanks to the litigants for taking this action in an effort to serve their community.
